thanks for making this website, and i'll be visiting again

"instead, it makes the brain more sensitive to social cues that trigger aggression

your mind is going at 100 miles an hour so to speak, everything has speeded up and racing due to the adrenalin, so dont add more adrenalin and give your mind and body the rest it needs to recover

the only thing that is preventing this from being a riot is that everyone is running under the assumption that they are not going to run out of bobbleheads for people with vouchers.

they are not going to run out of bobbleheads for people with vouchers.
